I understand I have been placed on Financial Aid suspension for not meeting the requirements of AC' s Satisfactory Academic Progress policy. By submitting this form and required documents, I am requesting a review of my suspension status. The Financial Aid Office will review my statements and attached documentation in determining my eligibility for reinstatement of my financial aid eligibility.

1. A typed statement explaining why you have excessive attempted hours at AC. This could include an explanation of why you have changed your degree or transferred into a different program.
2. I will follow the academic plan created in Registration Hub and will meet and maintain academic progression.

Your Suspension Review Request will be reviewed by a Financial Aid Tem member and an answer provided via your student email within one week. If you have any questions regarding the status of your review, you can contact our office at 806-371-5000 or by email at financial@actx.edu.
