## FALL 2019 Scholarships for Science, Technology, Engineering & Math (STEM) Majors

### APPLICATION GUIDELINES:

- Applicants must have a cumulative grade point average of **at least 3.0**. First-time freshmen at AC must have at least an 80 average overall in high school coursework to be eligible for this award.
- Your **most recent transcript** which includes grades through Summer 2019 will be verified to ensure GPA eligibility prior to an award.
- Applicants must be a **declared STEM Major** (Biological Sciences, Chemistry, Computer Science, Engineering, Mathematics, and/or Physics) **and be pursuing an Associate Degree**. Applicants will be disqualified if they have any declared major(s) in another field of study.
- All scholarship awards require awardees to enroll and pursue a **minimum of 12 credit hours** per semester at Amarillo College.
- Applicants are required to **complete and submit** the necessary Amarillo College **financial aid forms and documentation**, in order to be considered.
- Applicants must apply for Federal Financial Aid. Visit [www.fafsa.ed.gov](http://www.fafsa.ed.gov) to **complete the federal form**.
- Applicants must be a **United States citizen** to receive this federal scholarship award.
- You will be notified in writing if you were selected to receive a STEM scholarship award for the upcoming Fall 2019 academic semester. **If you do not send back the acceptance postcard by the deadline designated on the postcard, you will forfeit the award.**
- Please note that **this application must be completed in full, signed and dated** in order for applicants to be considered for this award.
