

Amarillo Women's Network Scholarship Application

Guidelines

The Amarillo Women's Network has established a scholarship fund to support the educational goals of deserving individuals who seek to improve their career potential. The AWN scholarships are awarded annually for the following school year (fall and spring semesters) to recipients who have demonstrated leadership ability and initiative in their past educational and work efforts and who are pursuing a degree which will enable them to reach their professional goals. Financial need is not the primary consideration.

A recipient of an AWN scholarship must submit proof of enrollment to the AWN scholarship Committee Chair at the beginning of each semester to obtain funding for the semester. If a recipient drops out of school or is placed on academic probation, the recipient must immediately notify AWN.
