Excess Benefits with Integrated Deductible

This Rider is secondary coverage to all other policies. Hartford will pay Usual and Customary Charges only after the Insured Person satisfies the Integrated Deductible and only when the Usual and Customary Charges are in excess of amounts paid or payable under any other Benefit Plan. We pay benefits without regard to any coordination of benefits provisions in any other Benefit Plan. The amount from other Benefit Plans includes any amount to which the Insured Person is entitled, whether or not a claim is made for the benefits. Any payments made by an Insured Person and an Insured Person's other Benefit Plan toward Usual and Customary Charges will apply toward satisfaction of the Insured Person's Integrated Deductible. If the Insured Person is not covered under any other Benefit Plan, Hartford will pay benefits on a primary basis.

The student must present proof of a Health Insurance Policy if they have coverage at the time of the incident appointment.
