YOUR CURIOSITY

You have Big Goals ...

You're looking for freedom to explore your interests and an education to help you achieve your goals and dreams.

Explore the Opportunities

Join us and you'll attend classes with students, who like you, are seeking a learning adventure.

The low student-teacher ratio of honors courses allows professors to place more emphasis on class discussion, service learning, and application. You'll rub elbows with top college administrators and faculty, including the president of Amarillo College, and be mentored by outstanding community leaders. You'll receive scholarships and unique travel opportunities beginning in your freshman year!

Start your college journey as a member of AC's Presidential Scholars Program and experience something incredible.
