Dear Dr. Matney:

Please pardon my delay in responding to your letter of July 30, 2009, in which you provided requested information to support the prospectus for two off-campus instructional sites:

Amarillo High School
4225 Danbury
Amarillo, TX 79109

Randall High School
5088 Attebury
Amarillo, TX 79118

Both sites have been offering 50% or more of a program's credits with dates reaching the 50% point ranging from 1998 – 2007. The institution has submitted a description of the internal process developed to assure timely notification of substantive change to the Commission in the future; that document was reviewed by the Commission.

The information on faculty qualifications, discipline-specific library resources, and financial resources satisfactorily addressed our concerns. We approve the proposal for the two sites listed above, shall include them within the scope of accreditation previously granted, and wish you and your colleagues much success with them.

Best regards,
