Dear Dr. Jones:

Please accept my apologies for our very tardy response to your letter of October 10, 2005, in which you provided justification for the qualifications of Professor Lana Hall. We have no further questions and by means of this letter, I remove the contingency applied to our approval of the proposal for the Hereford Branch Campus. Again, I regret the delayed response to your letter, but do extend to you and your colleagues wishes for much success in this new venture.

Best regards,
