

Amarillo College
Component III – Proposed Courses (Documentation)
2014 Core Curriculum Submission

PRIMARY COURSE SUBMISSION DOCUMENTATION MATERIALS

Documentation that supports the students' fulfillment of the Core objectives will follow the guidelines outlined by the [Texas Education Code Chapter 51, Subchapter Z, Section 974 – Internet Access to Course Information](#).

1. [Call for Course Proposals for Inclusion](#)

- A. Select the above link.
- B. Select “View Core Course Proposals” in the left Navigation bar.
- C. Select “View” beside the course you wish to view to see the initial, most up-to-date submission*

*Not all of the courses included in the above “Call for Course Proposals for Inclusion” database have all been fully approved as of (10/10/13). Some of the courses have been approved with the contingency that the course will fully comply with all THECB/AC requirements by fall 2014. You may view the [Sub-committee Evaluations](#) to see the most current evaluation status for each course submission. The course evaluations explain why each course has been completely approved and why/why not a course has been completely approved. After a department head/designated faculty member makes edits to a proposal, the course is re-reviewed and the evaluation is updated.

2. The “General Education” section of the [Catalog](#) lists the THECB core objectives. It will be updated by fall 2014 to reflect the new, approved Core Curriculum.
3. By fall 2014, core curriculum [course syllabi](#) will be updated to reflect the new core curriculum integrated assignments/assessments. The course syllabi do not yet reflect these changes as the new core curriculum has not yet gone into effect.
4. The [Core Curriculum Assessment Web page](#) contains some core curriculum information and supporting materials.

OTHER PROPOSED COURSE DOCUMENTATION MATERIALS

- [2014 AA and AS Proposal](#)
Shows AC requirements for AA and AS Degrees
- [2014 AAS Proposal](#)
Shows AC requirements for AAS Degrees
- [Fall 2014 Courses Submitted for Core Curriculum Consideration](#)
Shows How Whole Picture Works Together for AA, AS, and AAS Degrees
