1. Everyone answer:

^{1.2)} Please list the primary reason that you did NOT complete a certificate or degree in your major if it is not included in the list above.

- DID NOT QUALIFY FOR ANY FINANCIAL AID///WORK A FULL TIME JOB AND THE COURSES I NEEDED TO TAKE TO COMPLETE MY DEGREE WAS ONLY OFFERED DURING THE DAY OR ON-LINE OR ANY SUBSTITUTES THAT WOULD WORK
- Family member I was living with passed away. I joined the Army and moved away I was sent to South Korea and then to Fort Hood. I am now continuing my education at AC waiting to see if i will get on at APD in June, if so I will be changing my degree to Criminal Justice.
- Got a full time job and the courses became too hard.
- Have my bachelor's degree in Global Bus. Mgmt. Took the classes I took just to learn something new. Did not take classes to gain a certificate.
- I am currently working on my degree and plan to finish to get my degree.
- I became ill and did not have the energy to continue I would love to finish someday
- I did not have the money to drive back and forth from Hereford and Amarillo for my courses due to my husbands job loss.
- I got a new job,so by the time I got home i was brain dead from work. I could not keep up in class.
- I had relocated to Houston, TX and is now taking the same major at a different college.
- I had to care for my 23 year old daughter whom was terminally ill. Even though she has passed away in 2006 I am now having to pay for two of my classes due to me dropping a class. I am also struggling financially which is very hard for me to get those two classes paid for in order to get myself into financial aide once again.
- I transferred to the University of Texas to finish my BS degree
- I wanted to be able to travel with my husband and it took more time than I wanted to give
- I went on to get my degree at WT.
- I'm still in school. I graduate next year.
- Moved
- My job stopped paying for me to go to school
- My major changed and I graduated May 2009 with my Associates Degree.
- Took a job in the field of computer support as desktop technician.
- my son got sick and I had to care for him at home and did not feel that I could make up the work.
- transfered to wt

^{1.3)} Is there anything that you would like for AC to know that would encourage current and future students to complete their certificates or degrees?

- A completed "degree/certificate" proves that a person can be counted on to complete a task... at least that is what one hiring manager told me.
- DON'T GIVE UP. KEEP TRYING
- Don't give up. It pays to go to College.
- From my experience, traditional classes take less time than online classes. I wasn't wanting a career. I wanted to know more about using a computer.
- I found the email from the registrar helpful when I had taken a "break" from school. It was encouraging and helped me remember what I was working for
- I got my start at AC.
- If someone contacted to me to help me find out what I can do to get back in school.

- Keep up the good work
- Not really, I enjoyed my classes and instructors were wonderful.
- Problems exist in life and people deal with these problems differently. They become easier when you are confident of yourself.
- There was always plenty of help available but I think the overall degree plan needs to be reevaluated there are some totally unnecessary courses.
- Yes, telling them they will most likely end up going back to college so they might want to think about continuing now.
- better course placement. The math course I was placed in was not conducted properly. The Professor taught as if everyone understood her.
- let students know of scholarships

2. Females **ONLY** please answer the following questions.

2.2) Comments:

- Advisors that were available to me at AC were the best. They encouraged me a whole lot to keep going.
- I only did not finish because I moved to Houston, TX.
- The advisors I've had were wonderful and encouraged me to continue my edu.

2.4) Comments:

- I only did not finish because I moved to Houston, TX.
- I really didn't talk to an advisor.
- I was well informed on what I needed to do.

2.6) Comments:

- I only did not finish because I moved to Houston, TX.
- The faculty was great in helping me get the extra help I needed to pass my classes.

2.8) Comments:

- I only did not finish because I moved to Houston, TX.
- I usually kept to myself and tried my best. I had no time to see or even pay any attention on other students. It was tough as it was at the time I was taking my classes.

2.10) Comments:

- I only did not finish because I moved to Houston, TX.
- Never did I have this problem.

2.12) Comments:

- I only did not finish because I moved to Houston, TX.
- Never. All the classes that I had were adult mannered students plus faculty as well.

2.13) Additional Comments:

- I love going to class. I struggled in mostly all my classes due to being out of school so long. I hope I can finish my degree and hope to get a job too. All the teachers were very respectful and very good teachers! No negative words against them.
- I plan to back transfer the credits I lacked to get my AS degree at Amarillo College.
