

Amarillo College Curriculum Map for the Education Department

Division:	Liberal Arts
Degree/Academic Program(s):	Education (GENS.AS.EDUC)
Dean:	Becky Easton
Chair/Director/Coordinator:	Dennis Sarine & Rochelle Fouts
Submission Date:	August 17, 2023
Purpose Statement:	The purpose of the education department is to provide content and experiences directly aligned with the expectations of future Texas teachers.

Goal #1: To graduate students who articulate in the written format a personal commitment to working in the Texas school system and have experience in the workplace that promotes analysis and evaluation of the skills needed to impact the success of children in public schools.			
Program Specific Courses	PLO #1: The student will summarize the PPR (Pedagogy and Professional Responsibilities) competencies required for the state certification exam observed during the classroom experience and can consistently demonstrate grammatical accuracy.	PLO #2: The student will identify examples of different teaching strategies using Bloom's Taxonomy followed during the classroom experience.	PLO #3: The student will analyze and organize different Special Population accommodations with documented rationale
EDUC 1301	I	I	I, D
EDUC 2301	I	D	D

I = Introduced; D = Developed & Practiced with Feedback; M = Demonstrated at Mastery
