# Alcohol Education Program for Minors

**Course Description:** This program is certified by the Texas Department of Licensing and Regulation – Offender Education Programs. It is required by law for minors convicted of first or subsequent offenses for the purchase, possession or consumption of alcoholic beverages in addition to assessment of a fine. Failure to complete the alcohol awareness course within 90 days of conviction will result in a license suspension of up to 6 months. This course is also appropriate for DUI-Minor offenders, and as a sanction for those who have consumed alcohol in violation of their probation or parole, are under the age of 21, and do not appear to have a major substance abuse problem.

This two-session program is designed to help participants increase their knowledge about alcohol and drugs among young people. The curriculum contains information on the following topics: societal values related to alcohol consumption by minors, the influence of alcohol advertising on young people, the physical, social and psychological effects of alcohol upon young people; the relationship between motor vehicle and other accidents and alcohol use; relevant laws relating to the purchase, possession or consumption of alcoholic beverages by minors, drinking patterns and problems of young people including abuse and addiction and decision-making skills.
