Freedom from Tobacco

Course Description: If you are age 18 or older and want to quit smoking, dipping, or chewing, then this 2-session, 5-hour course is for you. Tobacco treatment specialists trained through the Mayo Clinic will provide you with the necessary tools to tackle nicotine cravings and prepare you for a Quit Date. Studies have shown that working with a tobacco treatment specialist doubles your chances of stopping smoking. This class is a joint-initiative with Tobacco Free Amarillo, so it is very affordable. In addition, you may be eligible to receive a **free starter supply of nicotine replacement therapy products (patches, gum, lozenges)**. Additional post-course support will be discussed to help you succeed at quitting and remaining tobacco-free. A certificate will be provided upon completion of the course. This program can help those who just need a little extra push, as well as those who have almost given up – and everyone in between. People who quit using tobacco save money, and feel healthier and more in control. You CAN succeed, and we can help.

August 2020 – December 2020
