

Youth Tobacco Awareness Program

Course Description: This program is certified by the Texas Department of State Health Services-Offender Education Program. It is required by law for minors under age 18 found guilty of the purchase, possession or consumption of tobacco products in addition to a possible fine and community service. This 4-session, 8-hour course will teach the history of and current tobacco laws, the health consequences of tobacco use, the factors that influence behavior, as well as help offenders develop a renewed awareness of tobacco responsibilities and a plan to alter present tobacco use. A Certificate of Completion will be provided to the student to present to the referring court upon completion of the program.
