

# Shoplifting/ Other Theft Program

**Course Description:** This course is most often required for persons who have been convicted of and/or placed on probation for Shoplifting or for some other Theft offense. This researched and evidence-based program is 6 hours in length and is designed to help offenders increase their knowledge of shoplifting and other forms of theft and how these offenses affect everyone, to identify the motives and triggers for committing these offenses, to learn how our behaviors are influenced by values and attitudes, to learn the consequences of their behavior, to obtain remediation skills to stop the temptation to shoplift or steal, and to recognize that shoplifting and theft are not “victimless” crimes.

A *Home Study* version of this program is also available. Please contact our office for more information.
