PC Questions How do I install the secure Uniflow (Canon) printer?

In File Explorer type the following: \\ac-uniflow

The following window will open:

	ac-uniflow						\times
File Home	Share	View					~ ?
← → ∨ 1	🔌 🍤 👌 Ne	twork >	ac-uniflow	~	Ü	Search ac	P
i OneDrive	^			AC_Canon_SecurePri	nt		
🧢 This PC			Co				
📙 3D Obje	cts						
🔚 Desktop	r.						
📔 Docume	ents						
, Downloa	ads						

Double click on the AC_Canon_SecurePrint icon.

Click yes or install to the prompts that follow.

The AC-Uniflow printer will now appear in your printer list.
