

Associate Degree Nursing
LVN to ADN Option

Application Orientation
for
Fall 2022 Admission

Welcome to the Amarillo College ADN Program ‘Application Orientation’ session which is designed to assist you in completing the application process for acceptance into the upcoming LVN to ADN Transition class. An Associate Degree Nursing (ADN) graduate will be eligible to take the nursing licensure exam (NCLEX-RN) to become a Registered Nurse (RN). Associate Degree Nursing (ADN) education offers an avenue to a uniquely rewarding career as a Registered Nurse (RN) in a profession that is highly valued and respected. There are many employment opportunities for both men and women who choose a rewarding career as a Professional Nurse. RN’s practice in a variety of specialty areas such as medical, surgical, pediatrics, obstetrics, mental health, intensive care and emergency medicine. Graduates from the Amarillo College ADN Program can continue their education and earn a Bachelor’s, Master’s, or Doctoral degree in Nursing. Graduates can obtain advanced practice status such as Nurse Practitioners, Certified Registered Nurse Anesthetist or as a Nurse Educator. Many of the faculty in the ADN Program started here at Amarillo College Nursing!

Amarillo College (AC) is approved by the Texas Board of Nursing (BON) and accredited by the Accreditation Commission for Education in Nursing (ACEN).

Since 1970, program graduates have experienced success in passing the RN licensure examination and in practicing in the healthcare employment arena. Outstanding nursing faculty members as well as exceptional classroom, lab, testing, and tutoring facilities contribute to the success of students who have been enrolled in the ADN Program at AC.

We understand that the application process is very important to you as you begin this journey to become a Nurse. So, this packet will be a valuable resource during the ‘Application Orientation’ session and afterward as you prepare your application for submission.

Please feel free to call the Nursing Office should you have questions during the application process. We are glad you have chosen Amarillo College as your entry level into Professional Nursing.

Dr. Elizabeth Matos PhD, RN
Director- Associate Degree Nursing Program

Associate Degree Nursing Office Information

Location: West Campus Jones Hall Room #251

Follow us on Facebook at www.facebook.com/amarillocollegenursing

Any student, who because of a disabling condition, may require some special arrangements in order to meet course requirements, should contact Disability Services as soon as possible (Phone 806-371-5436)

AMARILLO COLLEGE
Associate Degree Nursing Program
LVN to ADN Transition Option

QUALIFICATIONS:

1. Candidates for advanced placement credit in the LVN to ADN Transition Option of the Associate Degree Nursing (ADN) Program include Licensed Vocational Nurses (LVN) with current, unencumbered Texas licensure.
2. Individuals who have been inactive in vocational nursing practice for more than four (4) years or have not been enrolled in a vocational nursing program in the last four (4) years are not eligible for the Transition Option.

ADMISSION CRITERIA:

Applicants must:

1. Meet all requirements for admission to Amarillo College (AC).
2. Meet the admission requirements for the Transition Option of the ADN Program.
 - a. Schedule an appointment with Syndia Delgado or Susan McClure, Nursing Academic Advisors.
<https://outlook.office365.com/owa/calendar/AdvisingDepartment1@actx.edu/bookings/>
This appointment will provide you with TSI assessment results and information about the nursing program of study
 - b. Complete an online orientation. You must watch video and complete the post test with a score of 100% in order to move onto the next step of the application process.
 - c. Take the HESI Admission Assessment (A2) Exam. Composite score content areas include Math, Reading, Anatomy & Physiology. Candidates for program admission will also take a Critical Thinking portion as part of the A2, but scores from this portion **will not** be included in the composite score used for calculating program admission points. There will be no rounding of the HESI A2 Exam content score.
 - d. **Cumulative score of at least 80 or greater must be achieved on the exam during a single test administration to be eligible for program admission.**
 - e. HESI A2 scores Exam results are valid for one year. For example, HESI A2 taken on September 14, 2021 are valid through September 14, 2022. HESI scores from only a single testing period will be used for an application period. Any student who has taken the HESI A2 prior to 2021Fall semester is required to retake the test due to the update in testing requirements.
 - f. Complete an application for admission to the Transition Option.
 - g. Provide copies of all general education academic transfer course work. Acceptance of general education academic transfer course work will be governed by AC policy.
 - h. Complete all academic courses, which are prerequisites to the Transition Option with a grade of "C" or better.

The Transition Option admits students twice per year during fall and spring semesters. Applications for the Transition Option are only accepted during the semester preceding anticipated admission. All pre-requisite general education course work for the Transition Option must be completed by the end of the semester in which application is made.

Grade Point Average (GPA)

Must have minimum overall GPA of 2.5 or equivalent in general education requirements for the ADN Program of Study.

Selection of students for admission to the Transition Option is determined on the basis of available spaces and the following points system:

Grade point average (GPA) Must have minimum GPA of 2.5 in the general education requirements for the ADN program of study.	
Program applicants complete the HESI A2 Admission Assessment Exam (A2). Exam results are valid for one year prior to the application period. Composite score content areas include Math, Reading and Anatomy & Physiology. There will be no rounding of the HESI A2 Exam content score. Applicants must have a cumulative score of 80% to be considered	
• Composite score of 95-100	70 points
• Composite score of 90-94	60 points
• Composite score of 85-89	50 points
• Composite score of 80-84	40 points
Points based on the most recently recorded course grades in: PSYC 2301, BIOL 2401 BIOL 2402, & BIOL 2420 A = 5 points B = 4 points C = 3 points D or F = 0 points	Up to 20 points
Associate Degree or higher	6 points
Currently employed with Certificate in Health Care related discipline: EMT/Paramedicine, Medical Assisting, Nursing Assistant, Phlebotomy, EKG, Surgical Technology, or other allied health program in patient care offered at a college level. that is in addition to the LVN.	4 points
Total Possible Points	100 points

Please note HESI score will **NOT be rounded up

PROGRESSION GRADUATION REQUIREMENTS

- Students must have a grade of “C” or better in all required nursing and general education courses in the program of study in order to progress to the next level in the nursing program.
- Students must have a grade of “C” or better in all general education and nursing courses, in the ADN Degree Plan to graduate.
- Any didactic (classroom/online) nursing course with a required co-requisite clinical course is integrated and inseparable from the clinical course; therefore, a student must pass both courses with a “C” or better in the same semester in order to be eligible to enroll in the next level of courses.
- Students admitted to the Transition Option are ineligible to continue in the program when they have two course failures. A course failure means a grade of “D” or “F”, or when a student withdraws (drops) from a course.

AWARDING OF CREDIT

- Credit will be awarded for RNSG 1309, RNSG 1105, RNSG 1331, RNSG 1362, RNSG 1247, and RNSG 1263, following the successful completion of RNSG 1227 and RNSG 1261 and 18 hours in residence at AC.

- A posting fee of \$5.00 per credit hour is required and is payable to the Amarillo College Business Office. Payment of the petition for credit fee is required prior to enrollment in any Level IV course: RNSG 2231, RNSG 2262, RNSG 2221, RNSG 2263.

CRIMINAL BACKGROUND CHECKS

All students must submit to a criminal background check (CBC) as part of the acceptance process into the Associate Degree Nursing Program. This policy is based on a standard of The Joint Commission (TJC), which requires healthcare organizations to verify criminal background information on students who provide care, treatment, and services to patients/clients during clinical activities. The cost of the CBC is a student responsibility and is non-waiverable and non-refundable. The CBC will be performed only by an external vendor designated by the ADN Program. The student will purchase a COMPLIO package **ONLY AFTER** acceptance into the program. Student eligibility for clinical activities is determined by the affiliated clinical agencies based on the CBC. Inability to participate in clinical activities prohibits successful completion of clinical courses and therefore prohibits program progression, since the classroom and clinical courses must be successfully completed in the same semester.

TEXAS BOARD OF NURSING (BON) REQUIREMENTS FOR RN LICENSURE

The Texas BON may deny licensure to any applicant who fails to demonstrate good professional character. A DPS/FBI-level criminal background check (CBC) is required in order for the BON to determine good professional character and therefore eligibility for RN Licensure. This DPS/FBI-level CBC is different and in addition to the CBC required for clinical agency privileges.

The Texas BON mandates that all nursing programs require their students to submit a DPS/FBI level CBC.

- The ADN Program will submit a roster of all newly admitted students to the Texas BON.
- The Texas BON will then issue a “FAST PASS” originator number to all students listed on the roster. Each student is then responsible for making an appointment with IDENTIGO using the originator number provided by the Texas BON for fingerprint scans. These fingerprint scans are electronically submitted to the Texas BON and then DPS/FBI.
- When the completed CBC report is received at the Texas BON from the DPS/FBI, the BON will mail a pass card to all students with a clear CBC. (Blue Card)
- If the CBC is positive, then the Texas BON will contact each student and request that the student complete a Declaratory Order (DO) of Eligibility for Licensure petition. The DO petition and instructions can be found on the Texas BON website at www.bon.texas.gov or the Texas BON may be contacted at 512-305-6838 for more information.
- The cost of the DPS/FBI-level CBC and fingerprint scans is the responsibility of the student. The cost for the DO petition review by the Texas BON Enforcement Department, if necessary, is also a student responsibility.

The Texas BON may also deny licensure to any applicant who demonstrates a lack of fitness to practice in regards to certain mental illnesses or addiction to alcohol or drugs. Applicants with a history of reportable mental illnesses and treatment and/or addiction to alcohol or drugs within five years of program admission should also petition the Texas BON for a decision about eligibility for RN licensure. See the DO petition and instructions at the Texas BON website at www.bon.texas.gov. The DO petition contains the list of reportable mental illnesses.

MEDICAL INSURANCE STATEMENT

As of January 2015, the Affordable Care Act (ACA) requires all United States citizens and legal residents to have medical insurance coverage. Students should have a primary insurance source. If accidental injury occurs, students are required to file a claim with their personal insurance company. The Hartford Insurance Policy, currently in place at Amarillo College is an accident policy that provides coverage over and above any other valid and collectible insurance that students have.

PROFESSIONAL LIABILITY INSURANCE

All nursing students are required to carry professional liability insurance. Fees are collected at the time of registration to cover the cost of a blanket college student policy with a major insurance carrier.

IMMUNIZATIONS

All students enrolled in health-related courses, including nursing students, which will involve direct patient contact must meet the following Texas Department of State Health Services (DSHS) immunization requirements.

****Immunizations must be complete to be eligible to submit a nursing application****

1. One dose of a tetanus-diphtheria toxoid (Td) is required within the last ten years. The booster dose may be in the form of a tetanus-diphtheria-pertussis containing vaccine (Tdap).
2. Students born on or after January 1, 1957, must show acceptable evidence of vaccination of two doses of a measles-containing vaccine administered since January 1, 1968 (preferably MMR vaccine).
3. Students born on or after January 1, 1957, must show acceptable evidence of vaccination of one dose of mumps vaccine.
4. Students must show acceptable evidence of one dose of rubella vaccine.
5. Students are required to receive a complete series of hepatitis B vaccine prior to submitting their application to the ADN Program, or show serologic confirmation of immunity to hepatitis B virus.
6. Students are required to have received two doses of varicella (chickenpox) vaccine or a positive titer test. Documentation of two doses of Varicella vaccine at least 28 days apart or laboratory evidence of immunity to Varicella must be submitted. If titer reflects negative or equivocal result, student should receive 2 doses of varicella-containing vaccine at least 28 days apart. Students must have the first dose by the time the application is submitted and proof of second dose by the first day of class
7. Students must show proof of a current tuberculin skin test or chest x-ray. Tuberculin skin tests must be repeated yearly while students are enrolled in the nursing program.

Texas Administrative Code, Title 25, Part 1, Chapter 97, Subchapter B, Rule 97.64; effective May 25, 2010

CPR CERTIFICATION

All students must be certified in Cardiopulmonary Resuscitation (CPR) for Healthcare Providers in accordance with standards set by the American Heart Association throughout program enrollment. **A copy of your current CPR certification MUST be submitted with your application.**

BACTERIAL MENINGITIS

All entering students, who are younger 22 years of age, must show evidence of an initial bacterial meningitis vaccination or a booster dose during the five-year period preceding, and at least 10 days prior to, the first day of the first semester in which the student initially enrolls at Amarillo College. See the AC web site, www.actx.edu for more information.

ADDITIONAL REQUIREMENT:

INFLUENZA

Nursing students will be required to obtain an influenza vaccination each flu season by the required date in order to participate in direct patient care in affiliated healthcare agencies.

AMARILLO COLLEGE ASSOCIATE DEGREE NURSING PROGRAM

Transition Option Curriculum - Program of Study and Costs

Prerequisite General Education	Semester Hours
--------------------------------	----------------

BIOL 2401	Human Anatomy & Physiology I	4
PSYC 2301	General Psychology	3
BIOL 2402	Human Anatomy & Physiology II	4
BIOL 2420	Microbiology	4

Students may enroll in major course requirements after successful completion of all pre-requisite general education courses.

*Language, Philosophy & Culture must be completed concurrently or prior to Semester III nursing courses of the Transition Option.

Tuition: Resident of District - \$1335.00; Non-Resident of District – \$1,980.00; Non-Resident of State - \$ 2940.00

HESI ADMISSION ASSESSMENT EXAM

Background

A strategy for increasing program graduates is to utilize a standardized admission assessment examination to ensure entry of applicants who are most likely to succeed in a program of professional nursing. Standardized admission assessment exams also provide valuable information to programs of professional nursing about those students who may require additional academic support to be successful in a nursing curriculum and/or who may require particular support services to achieve maximum potential for program success.

The Assessment Exam

The Associate Degree Nursing (ADN) Program at Amarillo College (AC) has selected the HESI Admission Assessment (A2) Exam as the standardized exam to be utilized for program admission. The specific content exams selected for inclusion in the admission assessment exam administered to all prospective program candidates include: 1) Math, 2) Reading Comprehension, and 3) Anatomy & Physiology. In addition, candidates will complete a Critical Thinking exam.

- The Math Exam provides a measure of a candidate's basic math skills at the eighth and ninth grade levels. The exam contains problems in addition, subtraction, multiplication, division, decimals, fractions, and household measures. The exam focuses on the math skills needed for calculations for medication administration.
- The Reading Comprehension Exam indicates basic reading and comprehension skills at the eighth and ninth grade levels. The reading scenarios presented in the exam are health-related.
- The Anatomy & Physiology Exam will review the full anatomy of the human body, with lessons devoted to each system of the human anatomy.
- The Critical Thinking exam measures different degrees of critical thinking skills. There are 5 subcategories in this exam: problem solving, biases and ethical dilemmas, argument analysis, analysis of data and prioritization of care. (score is not included in the required 80 average)

A total exam score is provided for each of the academic content exams administered, as well as sub-scores on any specific subject area categories on the exam. A composite score is also calculated for the three academic content exams administered, which is the calculated average of these academic exams. The scores on the Critical Thinking exam will not be included in the overall exam average or composite score from the three academically-oriented content exams.

The HESI Admission Assessment Exam individual scores will be utilized in the points system to select applicants for admission to the ADN Program.

- **A cumulative score of 80 or greater must be achieved during a single test administration for a student to be eligible to apply for program admission.**
- Selection of students for the ADN Program will be determined on the basis of available spaces and the earlier described points system. (Page 5)

HESI ADMISSION ASSESSMENT EXAM

Process

- All prospective applicants must have completed an Associate Degree Nursing Program Orientation Session (online) and score a **100 on the post-test prior** to scheduling and taking the HESI Admission Assessment Exam.
- Prospective applicants may take the HESI Admission Assessment Exam no more than one time during each admission period to the Associate Degree Nursing Program at Amarillo College.
- The HESI Admission Assessment Exam for the ADN Program at AC is a four-hour computerized exam, and must be taken in the West Campus Computing Center on a specified date and time during the specific admission period each semester. **There will be no refunds given for a missed test and student will not be able reschedule. Prior to scheduling your HESI Exam please make sure you have no calendar conflicts. The HESI (A2) test cannot be rescheduled.**
- Multiple times and dates (testing blocks) will be identified each semester for applicants to take the HESI Admission Assessment Exam in a proctored environment. Testing blocks will be filled on a first come, first served basis. **Please schedule your test as soon as possible to ensure you have an available testing date. When the testing dates are filled, the HESI payment will be unavailable and no more tests will be scheduled. SCHEDULE EARLY!!!**
- HESI Admission Assessment Exam scores are valid for one calendar year.
- Only HESI A2 administered at Amarillo College will be accepted.

The study guide *Evolve Reach Admission Assessment Exam Review*; 4th Ed. for the HESI Admission Assessment Exam is available for purchase at: <http://www.us.elsevierhealth.com/product.jsp?isbn=9781416056355> or through various on-line book vendors, such as www.amazon.com.

HESI ADMISSION ASSESSMENT EXAM

Procedure

- Pay \$58.00 (cost could change without notice) for the HESI Admission Assessment Exam online. See flyer in your advising packet with instructions. (pg. 13)
- **Once payment has been made**, call the Nursing Office at 806.354.6010 to schedule the HESI Admission Assessment Exam.
- **ON THE DAY OF THE TEST:** Report to the West Campus Computing Center in West Campus Building D **30 minutes prior** to the scheduled date and time for the admission assessment exam. The admission assessment exam will begin promptly at the scheduled times. **If you arrive late, you will not be allowed to test or reschedule.** Be prepared to provide photo identification in the form of a student identification card or a driver's license. Applicants will not be admitted to the testing room after the exam begins. No personal belongings including purses, cell phones, books, etc. are allowed in the testing rooms. Also, no food/drinks or children are permitted in the testing rooms.
- It is the student's responsibility to bring their HESI login and password information to the testing center to be able to test. **If you do not bring a PRINTED COPY of your payment confirmation email, you will not be allowed to test or reschedule**
- Bring the HESI Admission Assessment Exam score sheet to the Nursing Office in Jones Hall Room #251, to obtain an application for admission to the Associate Degree Nursing Program, if you have received the required scores on your test.

*Any student, who because of a disabling condition may require some special arrangements in order to meet requirements, should contact Disability services **PRIOR TO SCHEDULING THEIR HESI EXAM**. They should notify the Nursing department about disability upon scheduling HESI A2 Exam and provide paperwork in advance to their test date*

In this portion of your Advising Packet (pages 13-29) you will find information on how to pay for your HESI Exam and forms you will need to read and sign. These forms will need to be submitted with your Nursing Application.

Dear student,

Elsevier HESI Testing and your school have partnered to bring you the best, most reliable testing products available.

The link below will take you directly to the page where you will make the payment by credit card. If you are having any difficulty with the link, just follow the steps below and use

payment ID 22950

Click on the link below and then create your Evolve account.

<https://hesistudentaccess.elsevier.com/payments.html?PaymentID=22950>

HESI Instructions:

1. Create an Evolve Account and register for HESI
2. Make the Payment

1) How To Create an Evolve Account and register for HESI

Under the box that says HESI Secured Exams, click on the link Register for Results and Remediation

The screenshot shows the Elsevier Evolve website interface. At the top, there is a navigation bar with the 'evolve' logo, a 'Welcome Student!' message, and links for 'My Evolve', 'Catalog', and 'Help'. On the right side of the navigation bar are icons for a shopping cart and a 'Login' button. Below the navigation bar is a large banner with the text 'Welcome to Evolve' and a subtitle 'The destination for healthcare students to access and purchase all their Elsevier learning materials.' Below the banner is a search bar with the placeholder text 'Search below to find and access Elsevier products or shop for online savings' and a 'GO' button. Below the search bar are two main sections. The left section is titled 'Redeem an Access Code or Enter an Evolve Course ID' and contains a text input field with the placeholder 'ENTER AN ACCESS CODE OR COURSE ID' and a 'SUBMIT' button. Below this input field is a small note: 'Your code will look like [QMRR7MWNAXY1ZQRMNQ] or [UC2H13YKSL6P] or [J23H_bdobbs_0001]'. The right section is titled 'HESI Secured Exams' and contains three links: 'Register for Results and Remediation', 'HESI Transcripts', and 'Register for Distance Testing'. A black arrow points to the 'Register for Results and Remediation' link. Below these links is a small note: 'Redeem an access code or enroll into a HESI Preparation Product by using the box to the left'.

Click on the “register” button

HESI Assessment

HESI Registration

By HESI

Registering for HESI is required to take an exam, access reports and remediation, register for distance testing exams, and make exam and package payments.

To add HESI Student Access to your new or existing Evolve Account, click the "Register" button.

If you have already registered for HESI, your scoring results and remediation can be accessed by logging in to Evolve.

**Amarillo College Nursing Program Department of Public Safety and
Federal Bureau of Investigation Criminal Background Check
Procedure**

PURPOSE:

The purpose of these procedures is to ensure that students complete the clinical agency Criminal Background Check as a part of the admission process to the Associate Degree Nursing (ADN) Program or Vocational Nursing (VN) Program at Amarillo College (AC).

SUPPORTIVE INFORMATION:

These procedures require that all students must submit to a criminal background check as part of the acceptance process into either the ADN Program or VN Program. These procedures are based on requirements of The Joint Commission (TJC) Standard H.R. 1.20. This Joint Commission standard requires accredited healthcare organizations to verify criminal background information on hospital staff as well as students who provide care, treatment, and services to patients/clients.

Timing - All criminal background checks will be conducted prior to full acceptance to the respective nursing program. The results will be honored for the duration of the student's enrollment in either the ADN or VN Program, if the student has not had a break in enrollment at the college and if the student has had no disqualifying convictions while enrolled. A break in enrollment is defined as nonattendance of one full semester or more. Attendance must be verifiable through program attendance records. If a student withdraws from or fails to successfully complete the ADN Program and applies for admission to the VN Program, the criminal background check completed for admission to the ADN Program is valid for one year from the date it was processed. The same length of validity for the criminal background check applies if a student withdraws from or fails to complete the VN Program and applies for admission to the ADN Program.

Cost - The cost of the criminal background check is a student responsibility. This expense is non-waiverable and non-refundable.

Process:

- Criminal background checks will be performed by an external vendor (COMPLIO) selected by the college and/or ADN Program.
- The name and electronic archive number of any student, that is returned from the external vendor with an "alert" status indicating a potential barrier to clinical eligibility, will be forwarded to a designated official(s) of the affiliated healthcare organizations requiring verification of criminal background information of students.
- This designated official(s) will access these individual student criminal background checks through the protected electronic archive, make a determination as to clinical eligibility in the healthcare organization, and communicate that determination to the appropriate director of the ADN or VN Program or their designated representatives.
- The inability of any student to participate in clinical activities will prohibit successful completion of clinical courses in both nursing programs. Successful completion of clinical courses is necessary for progression in both nursing programs.
- Clinical activities are completed at specific healthcare organizations affiliated with AC. AC will not locate or provide alternative sites for students ineligible to participate in clinical activities at affiliated healthcare organizations.
- Successful completion of a criminal background check does not guarantee registered or vocational licensure or employment after graduation.

- In the event that a student enrolled in either the ADN Program or VN Program is convicted of a criminal offense at any time while enrolled in the program, the program director or department chair may require that the student repeat a criminal background check with the designated external vendor. The results of this repeat criminal background check will be made available to affiliated healthcare organizations or agencies, requiring criminal background check information, for a determination of eligibility for continued clinical privileges. If any affiliated healthcare organization or agency denies clinical privileges based on this repeat criminal background check, the student will not be allowed to continue enrollment in clinical courses. The inability to continue in clinical courses prohibits student progression and successful completion of the nursing program.
- This criminal background check does not meet the Texas Board of Nursing requirements for an FBI criminal background check for initial licensure as a registered or vocational nurse in the state of Texas.

Amarillo College Nursing Program
Department of Public Safety and Federal Bureau of Investigation
Criminal Background Check Procedure

PURPOSE:

The purpose of these procedures is to ensure that newly accepted students to the Associate Degree Nursing (ADN) or Vocational Nursing (VN) programs at Amarillo College (AC) complete the Department of Public Safety (DPS) and Federal Bureau of Investigation (FBI) Criminal Background Check (CBC) prior to clinical experiences to be in compliance with the Texas Board of Nursing.

SUPPORTIVE INFORMATION:

Newly accepted students are those who are beginning their first semester of nursing courses at AC. This means students who are enrolled in RNSG 1309: Introduction to Nursing in the ADN Program or VNSG 1400, Nursing in Health and Illness I in the VN Program.

The Texas Board of Nursing (BON) will do the CBC through the DPS and the FBI based on a set of fingerprints that students submit to IDENTIGO, which is a company that provides fingerprinting services for licensing purposes. Procedure must be followed even though it was done in the VN program.

This policy is not to be confused with the Criminal Background process that is required by clinical agencies in accordance with their accrediting standards. This background check is performed by an external vendor called "COMPLIO" and the background check is completed once you are accepted into the nursing program before classes begin.

PROCEDURAL STEPS:

- 1) The Program Director will conduct a presentation with new applicants or newly accepted students on the eligibility requirements for licensure. This presentation will include verbal and written information about the CBC and Fast Pass.
- 2) Following the Program Director's presentation, students will read and sign the Licensure Eligibility Notification Form that they have received verbal and written information. This form will be maintained in the student's file in the Nursing Office.
- 3) Each student will complete the BON Roster Information for Potential Nursing Graduates after they have read and signed the CBC Information Verification Form.
- 4) The Program Director's Administrative Assistant will use the completed forms (BON Roster Information for Potential Nursing Graduates) to create a roster of students newly accepted to the Nursing Program. Once the roster is verified by the Program Director, the Program Director's Administrative Assistant will email the roster to the Texas Board of Nursing.
- 5) After receiving a confirmation email from the BON that the newly accepted student information has been entered into the BON system, students will be notified by the Program Director that they must arrange/complete a finger scanning appointment with IDENTIGO using the originator number (ORI) TX923490Z. The student will pay IDENTIGO for both fingerprint scanning services and the cost of the DPS/FBI background check.
- 6) Once IDENTIGO has completed the CBC with the DPS, they will transmit the results to the BON. The BON will then do one of the following: (1) Mail a blue postcard to those students who have a clear CBC, (2) Correspond with students who have a positive CBC and request a petition for a Declaratory Order or (3) Correspond with students who have a rejected fingerprint scan and request another fingerprint scan.

Students must submit a copy of the front and back of the blue postcard or a copy of the Operations Outcome Letter, Enforcement Outcome Letter or an Eligibility Order postcard to the Nursing Office Staff, which will be maintained in the student's file. Students must also show the original of these forms to the Office Staff. Students will keep the original. The Nursing Office Staff will document the receipt of these letters and/or forms on a spreadsheet and communicate the receipt of these letters and/or forms with the Program Director.

- 7) Students who do not provide proof of the completed CBC and eligibility for licensure in the State of Texas will: (1) Not be allowed to attend clinical and (2) Will be required to withdraw from the clinical course(s) in which they are enrolled. For example, students must withdraw from RNSG 1362, which is the clinical companion course to RNSG 1331 and VNSG 1260, which is the clinical companion course to VNSG 1400.
- 8) After receipt of BON blue postcard or Declaratory Order Outcomes Letter, Operations Outcome Letter or Eligibility Order, students who were required to withdraw from nursing course(s) must be approved to re-enroll in nursing course(s) in a subsequent semester by the Program's Admission and Progression Committee. Students must submit a petition letter to this committee for re-enrollment.

ADDITIONAL INFORMATION:

Any student involved in a situation that may make them ineligible for licensure including criminal behavior, mental illness or chemical dependency after entering the nursing program is required to send a letter notifying the BON of the situation. The letter should include copies of any legal documents and be sent certified mail with return receipt.

AMARILLO COLLEGE NURSING PROGRAM

STATEMENT OF UNDERSTANDING AND AGREEMENT:

CLINICAL AGENCY AND FBI-LEVEL CRIMINAL BACKGROUND CHECKS

I, _____, have read and fully understand the Associate Degree Nursing Program and Vocational Nursing Program policies and procedures about two required Criminal Background Checks: (1) A Criminal Background Check through an external vendor at the time of program application by clinical agencies and (2) An FBI-Level Criminal Background Check in all newly accepted students as mandated by the Texas Board of Nursing.

CLINICAL AGENCIES CRIMINAL BACKGROUND CHECK (CBC) THROUGH COMPLIO:

The CBC is only submitted upon acceptance into the program.

My signature below provides consent for the results of my criminal background history to be released to the ADN or VN Program at Amarillo College and to affiliated JCAHO-accredited healthcare organizations or other affiliated clinical agencies for determination of my eligibility to participate in clinical activities. I acknowledge that if my criminal background history would prohibit me from participating in clinical activities at these affiliated healthcare organizations or agencies, I will not be offered full program admission to either the ADN Program or the VN Program. I am fully aware that the cost of the criminal background check is my responsibility. **If accepted into the program, I will be provided instructions on creating an account with COMPLIO. I understand the CBC must be submitted through COMPLIO and results must be complete prior to the 1st day of class.**

Further, I acknowledge that a clear or successful criminal background check does not guarantee registered nurse (RN) or licensed vocational nurse (LVN) licensure or employment after program graduation nor does it substitute for the FBI criminal background check that is required by the Texas Board of Nursing for initial licensure.

I acknowledge that in the event that I am convicted of a criminal offense while enrolled in either the ADN Program or the VN Program, I may be required to repeat the criminal background check with the designated external vendor. I am aware that this repeat criminal background check will be made available to affiliated healthcare organizations or agencies for a determination of my eligibility for continued clinical privileges.

I am also fully aware that denial of clinical privileges by any affiliated healthcare organization or agency based on the repeat criminal background check will prohibit my participation in clinical courses and therefore progression in and completion of either nursing program.

FBI-LEVEL CRIMINAL BACKGROUND CHECK (CBC):

My signature below indicates that I fully understand that I must present a blue postcard, declaratory outcomes letter or eligibility order to attend clinical rotations.

I fully understand that I will have to withdraw from any clinical course(s) in which I am enrolled. I also fully understand that I will have to petition to the Admission and Progression Committee to obtain permission to re-enroll in a subsequent semester after I have been cleared by the Texas BON to attend clinical rotations.

I am fully aware that the cost of the criminal background check is my responsibility.

I have received a copy of the ADN Program Policy for Criminal Background Checks, and I have had the opportunity to ask questions.

STUDENT ACKNOWLEDGEMENT OF UNDERSTANDING

Required Flu Vaccine

Flu Vaccine

All students in the ADN Program will be required to obtain an influenza vaccination each flu season in order to participate in direct patient care in affiliated healthcare agencies.

***I understand that the influenza vaccination listed above must be completed by October 15th each year.**

STUDENT ACKNOWLEDGEMENT OF UNDERSTANDING

Medical Insurance Coverage

As of January 2015, the Affordable Care Act (ACA) requires all United States citizens and legal residents to have medical insurance coverage. Students should have a primary insurance source.

If accidental injury occurs, students are required to file a claim with their personal insurance company.

The Hartford Insurance Policy, currently in place at Amarillo College is an accident policy that provides coverage over and above any other valid and collectible insurance that students have.

“My signature below indicates an understanding that if I am injured during the classroom, clinical or laboratory experience, I should follow the appropriate network procedures for my personal accident policy”.

Agreement of Understanding for Applying to the LVN to RN Associate Degree Nursing Program

I, _____, understand that I must submit the following documents/verification with my application. My application will not be accepted without the required information.

- Signed and dated Immunizations and Tests Required by Texas State Department of Health Services/Clinical Facilities Form (see www.actx.edu/nursing)
- Signed and dated “Statement of Understanding and Agreement” “Clinical Agency and FBI-Level Criminal Background Checks” form (Page 23 of your advising packet)
- Signed and dated “Acknowledgement of Understanding” “Required TB, CPR, Flu Vaccine” (Page 24 of your advising packet)
- Signed and dated “Acknowledgment of Understanding” Medical Insurance Coverage” (Page 25 of your advising packet)
- Signed and dated “Agreement of Understanding” “For Applying to the LVN to RN Associate Degree Nursing Program” (Page 26 of your advising packet)
- Signed and dated “Student disclosure statement” (page 27 of your advising packet)
- Signed and dated “Release and Waiver Liability” (page 28, 29 of your advising packet)
- **Copy** of ALL required immunization documents/medical records
- **Copy** of current Cardiopulmonary Resuscitation for Healthcare Providers certification
- If applicable, submit verification of meningitis vaccine to Registrar’s Office
- Provide HESI test scores from Amarillo College West Campus Computing Center during application period
- **Copy** of valid Driver’s License or Government Issued ID
- If you have not submitted official transcripts from other colleges/universities (not including Amarillo College) to the Registrar’s Office at Amarillo College, please submit an unofficial copy with application and submit official transcripts to Registrar’s Office

I also understand that if I am offered admission to the program, I will be required to create an account with COMPLIO. I must upload all required immunizations and CPR certification prior to the 1st day of class. I will submit to drug testing through COMPLIO, in a timely manner, so that results will be complete PRIOR TO THE 1ST DAY OF CLASS.

I understand that if I am offered admission and fail to accept the offer by the deadline stated in the acceptance letter, I will not be allowed to start the nursing courses.

The application and all required documents must be submitted by required deadline posted on the Amarillo College Nursing Website <https://www.actx.edu/nursing/associate-degree-nursing---about>

No late applications will be accepted and there are NO EXCEPTIONS.

AMARILLO COLLEGE DEPARTMENT OF NURSING
ASSOCIATE DEGREE NURSING

STUDENT DISCLOSURE STATEMENT

The undersigned, a student enrolled in the Amarillo College Associate Degree Nursing Program, hereby represents and acknowledges the following:

- I have read the Criteria for the “General Conduct Requirements” and “Academic Progression and Graduation Requirements” in the Associate Degree Nursing Student Handbook online at <https://www.actx.edu/nursing/associate-degree-nursing---about>
- I clearly understand that I must have a minimum grade of 75 to earn a grade of C to pass any RNSG course.
- I clearly understand that a student in the ADN Program is ineligible to continue in the Program when they have two course failures. A course failure means a grade below 75 or when a student withdraws from a course.
- I also understand that the ADN Program does not round grades.
- Approved criteria and limitations for enrollment in specific courses may prevent me from:
 - o establishing my own enrollment schedule, and
 - o enrolling in specific courses for specific semesters.
- I must accept all nursing client/patient assignments regardless of diagnosis and the assigned clinical hours or I may be expelled from the program.
- I must use Standard Precautions while caring for clients/patients while enrolled in the nursing program.
- I must abide by ADN Program policies at Amarillo College and in the agencies where I may be assigned for clinical experience. All agency affiliation agreements with Amarillo College are available for my review in the Nursing Office.

By execution thereof, the undersigned acknowledges that he/she has read and understands the above and foregoing.

**AMARILLO COLLEGE
RELEASE AND WAIVER LIABILITY
STATE OF TEXAS
COUNTY OF POTTER**

AGREEMENT OF RELEASE made this day between **AMARILLO JUNIOR COLLEGE DISTRICT** ("Amarillo College") and _____
("Student").

In consideration of Student being permitted to enroll at Amarillo College in the nursing program and acknowledgement of Student of the following facts:

1. That Student will be required, as part of the normal educational process towards Student's degree, to be placed in a teaching environment including, but not limited to, local medical practitioners, ambulances, medical laboratories, and other environment (hereinafter called medical affiliates), all of which are affiliated with Amarillo College for these purposes and be transported to and from these medical affiliates and in so doing, Student may be exposed to conditions which could cause bodily injury and/or death and maybe exposed to patients afflicted with fatal or potentially fatal disease processes which may be of a contagious nature; and,
2. That Student will be first provided as part of the normal educational process toward Student's degree with detailed information about the nature, risks and preventative measures related to communicable diseases of a fatal or potentially fatal nature prior to assignment of Student;
3. That Student could be exposed to high-risk toxic substances in the medical affiliates, but will first be provided with information concerning prevention from becoming ill with same.

Student does hereby:

1. Authorize Amarillo College officials to transport Student to and from and place Student in the respective medical affiliates as they deem necessary for the successful completion of Student's educational program; and
 2. Release, waive and covenant not to sue Amarillo College, its officers, agents, employees and persons or entities acting together with Amarillo College in its educational programs (hereinafter collectively called Releasees) from all liability to Student for any and all loss or damage, and any claims or demands whatsoever on account of injury to the person or property or resulting in death of Student emanating from exposure to said disease processes and toxic substances, or any of these, or while being transported to or from a medical affiliate, whether caused by the negligence of Releasees or otherwise while the Student is on or within any of the medical affiliates or being transported to and from said affiliates; and
 3. Indemnify and hold harmless Releasees from all loss, liability, damage or cost that Student may incur due to the presence of Student in or upon any of the medical affiliates or in any way observing for any purpose
- or participating in the educational process in said medical affiliates, or while Student is being transported to or from said affiliates; and

4. Hereby assumes full responsibility for any and all risks of bodily injury, death or property damage due to negligence of Releasees or otherwise, due to Student participation in the normal educational process in the medical affiliates described above, or being transported to or from said affiliates.

Student expressly acknowledges and agrees that the activities described above could be dangerous and involve the risk of injury and/or death and/or of contracting fatal or potentially fatal disease processes and exposure to high risk toxic substances.

THE UNDERSIGNED expressly agrees that the foregoing Release, Waiver, and Indemnity Agreement is intended to be as broad and inclusive as is permitted by Laws of the State of Texas and if any portion thereof is held in invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

THE UNDERSIGNED HAS READ AND VOLUNTARILY SIGNED THE RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT, and agrees that no oral representation, statements or inducements apart from the foregoing written Agreement have been made.

I HAVE READ THIS DOCUMENT. I UNDERSTAND IT IS A RELEASE OF ALL CLAIMS.

I UNDERSTAND I ASSUME ALL RISKS INHERENT IN THE EDUCATIONAL PROCESS AND CLINICAL EXPERIENCE CONDUCTED IN THE MEDICAL AFFILIATES OF AMARILLO COLLEGE (INCLUDING BEING TRANSPORTED TO OR FROM SAID AFFILIATES) AS PART OF MY PROGRESSING TOWARD A DEGREE, ALL AS SET OUT ABOVE.

I VOLUNTARILY SIGN MY NAME EVIDENCING MY ACCEPTANCE OF THE ABOVE PROVISIONS.
