

3 – Day PHMSA HMIT GRANT DOT HAZARDOUS MATERIALS REGULATIONS/AWARENESS TRAINING WOKSHOPS

National PETE is pleased to announce that it has been awarded a one-year grant from the U.S. Department of Transportation – PHMSA-HMIT to provide DOT Haz Mat Transportation Regulations for business and industry hazmat employees. PETE will be working with local Alliance for Hazardous Materials Professionals (AHMP) Chapters and the Arkansas Environmental Training Academy in hosting and delivering these 3-day workshops in 2020 along with PETE sponsored workshops.

The 24-hour DOT HazMat Regulations Course. In accordance with 49 CFR § 172.704 (HMR), hazmat trainers employees will be trained in the following areas:

- General awareness/familiarization training providing familiarity with the requirements of the HMR and enabling the hazmat employee to recognize and identify hazardous materials, consistent with the hazard communication requirements of the HMR;
- Function-specific training concerning the requirements of the HMR specifically applicable to the functions performed by the hazmat employee;
- Safety training including measures to protect the employee from the hazards associated with the hazardous materials to which he or she may be exposed in the workplace;
- Security awareness training providing an awareness of the security risks associated with the hazards;
- In depth security training relating to a company’s security plan and its implementation, if applicable;
- Application of DOT regulations in order to effectively communicate the hazards associated with the materials being transported through marking, labeling, placarding, and documentation.
- Interpretation of carrier requirements for hazardous materials according to the Title 49 CFR by railcar, aircraft, vessel, and motor vehicle.
- General awareness/familiarization of rail and air transport regulations;
- General awareness/familiarization of driver regulations related to hazmat;
- Familiarization of EPA regulation related to hazardous waste transportation;
- Reporting procedures to complete DOT’s Incident Reporting Form.
- How to effective deliver the strategic elements of this training to fellow employees once you return to the workplace

Suggested Online Pre-requisite.

Workshop Participants taking the 24-hour DOT HazMat workshop strongly encourage all participants to complete 8 hours of online DOT HazMat Regulations coursework before participating in classroom learning to be sure everyone comes to the workshop with a strong baseline knowledge of the DOT HazMat Program an Regulations.

March 9-11, 2020 \$125.00 per person Register early, class size is limited.

Amarillo College Downtown Campus, 1314 South Polk Street, Amarillo TX 79101
