PATHWAYS AS ENDLESS AS OUR

# HORIZON

The only thing more powerful than knowledge itself is the ability to cultivate it. To share it, grow it, and turn it into a force for good. And today, our institution has grown to offer more than 150 academic programs in ten colleges, helping our students develop skills through undergraduate research, find challenge as part of our Honors College ([honors.ttu.edu](http://honors.ttu.edu)), discover the world by studying abroad, and make a difference for communities of all kinds through service learning.

Like knowledge, the Red Raider spirit develops over time. Your first experience at a football or basketball game will make you realize why we chant "Raider Power," and why we all believe so much in it. After wins and at graduations, the 1,200-pound Victory Bells ring, becoming a reminder that our progress can never be halted. And no matter the journey you take or the friends you make, you will be united with millions under the bold, beautiful, and powerful scarlet and black Double T.

### APPLICATION CHECKLIST

These steps are required for admissions consideration:

- ☐ Applications for admission are available at [goapplytexas.org](http://goapplytexas.org) or [commonapp.org](http://commonapp.org). Texas Tech does not have a preference for one type of application over another, but only submit one per admissions cycle.
- ☐ \$75 application fee or fee waiver\*
- ☐ Create your RaiderConnect account at [raiderconnect.ttu.edu](http://raiderconnect.ttu.edu)
- ☐ Complete the Self-Reported Academic Record (SRAR) through your RaiderConnect account (Domestic only)
- ☐ Official SAT and/or ACT scores (Optional)  
Learn more at [www.admissions.ttu.edu/testoptional](http://www.admissions.ttu.edu/testoptional)

### ADDITIONAL CHECKLIST ITEMS for INTERNATIONAL STUDENTS

- ☐ Submit official transcripts or any foreign credentials (English translation)
- ☐ Proof of English Proficiency

SAT code: 6827 / ACT code: 4220. Notification of decision takes 2-4 weeks.  
\*Fee waiver program for domestic students only. [www.admissions.ttu.edu/feewaiver](http://www.admissions.ttu.edu/feewaiver)

### SELF-REPORTED ACADEMIC RECORD (SRAR)

The SRAR replaces high school transcripts during the admissions process. Students will self-report their courses and grades. Since accuracy is critical, we recommend having a copy of the high school transcript available when completing the SRAR. Upon graduation, submit an official copy of your final high school transcript with a graduation date to Undergraduate Admissions. Learn more at [www.admissions.ttu.edu/srar](http://www.admissions.ttu.edu/srar).

### ASSURED ADMISSION

Students graduating from high school may be assured admission by presenting the required combination of test scores and class rank indicated below.

HIGH SCHOOL RANK	ACT / SAT	
Top 10%	No Minimum	
First Quarter (11%-25%)	24	1180
Second Quarter	26	1240
Third Quarter	27	1280
Fourth Quarter	Application Review	

### APPLICATION REVIEW

Students who do not submit ACT and/or SAT scores on their application or do not meet assured admission will be evaluated holistically.

- Academic course selection (Honors, AP, Pre-AP, Dual Credit, IB)
- Extracurricular activities
- Leadership experiences
- Civic or other service activities
- Socioeconomic background
- Family educational background
- Special talents or awards
- Diversity of experience and background

*We strongly encourage essays from the admissions application and up to three letters of recommendation.*

*ACT composite score, SAT reflects evidence-based reading and writing, and math; the highest section scores from multiple tests on the ACT and SAT will be used to maximize score. Assured admission is granted to all students who hold competitive scholarships awarded by an official Texas Tech University scholarship committee. Students applying to biological sciences, business (all), engineering (all), interior design, and physics should meet assured admission or be reviewed by the college and accepted into the program. Students who are accepted to Texas Tech but not accepted to these majors will be placed into an Explore program.*

**RaiderConnect**
